Inter-American Cooperation at a Crossroads

**20%
Special
Discount**

Fifteen years after the first Summit of the Americas, the world and the Americas have changed enormously. Competing strategies for economic development and political representation have shattered the hemispheric consensus of the 1990s. This book analyzes these developments and points towards a future for inter-American cooperation.

Edited By

GORDON MACE teaches at the Department of Political Science and at the School of Advanced International Studies at Laval University, Canada. He is the recipient of the 2008 ISA Canada Distinguished Scholar Award.
